

Global Oral Medicine:

Innovation, Integration and Collaboration

September 21-25, 2027
Rhodes,
Greece

EAOM-AAOM 2027
Joint Meeting

With the participation of the following associations:

MESSAGE FROM THE PRESIDENTS

Dear Colleagues,

It is our distinct honor and great pleasure to invite you to the **EAOM/AAOM Joint Meeting, “Global Oral Medicine: Innovation, Integration and Collaboration,”** to be held on the magnificent island of **Rhodes, Greece, from 21–25 September 2027.**

Following the highly successful AAOM/EAOM Joint Meeting in Las Vegas in May 2025—where our shared vision of a truly global collaboration became a reality—the 2027 meeting in Greece will further strengthen and expand this momentum. Our joint Organizing and Scientific Committees are working diligently to deliver a congress of the highest scientific and professional standards, reflecting the values and aspirations of our international Oral Medicine community and honoring the traditions of AAOM, EAOM, and other participating organizations worldwide.

Greece, the cradle of Western civilization, represents enduring ideals of democracy, inclusiveness, and intellectual inquiry—principles closely aligned with our Societies. It is also deeply connected to the origins of modern medicine, built on scientific evidence and humanitarian principles through Hippocrates, whose legacy and Oath continue to guide our profession today.

Rhodes, the largest of the Dodecanese islands, offers a unique blend of history, culture, and modern hospitality. For centuries, it has served as a crossroads of civilizations—home to Greek, Roman, Byzantine, Medieval, and Ottoman influences—creating a truly cosmopolitan and inspiring setting. Combined with excellent accessibility, world-class facilities, and renowned Greek hospitality, Rhodes provides an ideal and symbolic venue for a global scientific gathering.

From a scientific perspective, this prestigious joint congress will bring together leading experts, clinicians, and researchers from across the world. It will serve as a dynamic platform for sharing cutting-edge advances, fostering collaboration, and shaping the future of Oral Medicine.

We warmly invite you to **save the date** and join us for what promises to be an inspiring and memorable meeting. Be part of this continuing journey as Global Oral Medicine grows stronger—building on the foundation established in 2025 and advancing toward an even more connected future. We look forward to welcoming you to Rhodes in 2027.

On behalf of the EAOM Board

Prof. Michele Mignogna – EAOM President

Prof. Nikolaos G. Nikitakis – Congress President, Organizing Committee Chair

Prof. Marco Meleti – EAOM Immediate Past President, Scientific Committee Chair

On behalf of the AAOM Board

Dr. Jaisri Thoppay – AAOM President

Dr. Sunday Akintoye – President-Elect

Dr. Alessandro Villa – Vice President
